

Applied GPU Programming - Assignment II

DD2360 HT20

Pontus Asp

November 6, 2020

1 Git repository

I uploaded my git repository to GitHub. I use the same git repository for the entire course but the folder structure requested is still followed under the root folder. I also have 2 extra directories, one for this report and one where I have code from lectures.

Here is the link to my git repository:

https://github.com/pontusasp/kth-dd2360/tree/master/Assignment_2

2 Exercise 1

3 Exercise 2

4 Exercise 3

5 Bonus Exercise
